10. Rights and Responsibilities

I understand that this application will be considered without regard to race, color, ancestry, sex, age, handicap, religion or national origin. To the best of my knowledge and belief, the answers on this application are complete and correct. I understand that the law provides penalty of fine or imprisonment, or both, for anyone convicted of accepting assistance for which he or she is not eligible. I state under penalty of perjury that all information is true and complete to the best of my knowledge.

By signing and submitting the application, I acknowledge and agree that the county agency and ODJFS may share certain details about the status of my application with the child care provider listed in section 8 of this application and any amendment thereto, as well as to any child care provider who I authorize to receive information regarding my application.

My signature below gives my consent to the county agency and ODJFS to make contacts that are necessary to determine my eligibility for assistance and to verify the information I have given in this application. I understand that my signature below gives the county agency permission to access available information in the Support Enforcement Tracking System (SETS) to verify my child / spousal / medical support income. My signature also gives consent to issue a system generated statewide student identifier (SSID) for each child listed in section 8 of this application.

My signature below gives my consent and authorizes the county agency to access CRIS-E or the Ohio Benefits Worker Portal for the purpose of verifying the citizenship status of the children in this case and for verification of the receipt of additional public assistance. I may revoke this authorization at any time by notifying the county agency in writing.

I understand that I will be able to use publicly funded child care benefits only for children who are eligible and only up to the maximum hours authorized by the county agency. To remain eligible for publicly funded child care benefits, the required copayment (if applicable) must be paid by me to the provider. Failure to pay the required copayment may result in termination of publicly funded child care benefits.

I understand that I must report any changes which affect my child care eligibility to the county agency, including changes in family income, hours of employment/training/education, family size and address. **I understand that I must report changes within 10 days of the date they occur.**

I understand that if I am approved, I will be responsible for accurately recording my child's attendance at the child care program by utilizing an automated attendance tracking system. This includes registering in the system and creating personal identification information that I will use to access the system and to serve as my electronic signature. I understand that my child care provider is not permitted to record my child's attendance on my behalf, and may not have access to my personal identification information. I understand that the attendance tracking system may take my photo or a photo of my designee/sponsor as part of the login and logout process. I understand that I am responsible for approving any changes that my provider makes in the attendance tracking system regarding my child's attendance at the program.

I understand that if my child attends a Step Up To Quality rated program, and if an assessment is completed on my child, the data will be collected and reported to ODJFS.

I have received an explanation regarding the requirements for determining eligibility, the reasons why I may not be eligible, my right to a state hearing, my responsibility for reporting changes to the county agency and the penalty, including possible civil action or criminal prosecution, for the intentional withholding or falsification of information or misuse of child care benefits, including misuse of the automated child care attendance tracking system.

Child care fraud is the willful withholding or falsification of information or misuse of child care services as determined by a court of law. Failure to meet reporting requirements may be considered fraud and may result in the following: 1) repayment of child care benefits which you received but for which you were not eligible; 2) termination or denial of child care benefits; or 3) penalty of fine and/or imprisonment if convicted of fraudulently receiving child care benefits for which you were not eligible.

EXPLANATION OF STATE HEARING PROCEDURES

What is a state hearing?

If you think there has been a mistake or delay on your child care case, you may ask for a hearing by either contacting the local county department of Job and Family Services (CDJFS) or the state department of Job and Family Services (ODJFS). A state hearing is a meeting with you, someone from the CDJFS and a hearing officer from ODJFS. The person from the CDJFS will explain the action it has taken or wants to take on your case. Then you will have a chance to tell why you think it is wrong. The hearing officer will listen to you and to the CDJFS and may ask questions to help bring out all the facts. The hearing officer will review the facts presented and recommend a decision based on whether or not the child care rules were correctly applied in your case.

How do I ask for a hearing?

To ask for a hearing, call or write your CDJFS or write to ODJFS, Bureau of State Hearings, P.O. Box 182825, Columbus, Ohio 43218-2825. If you receive a notice denying, reducing or stopping your child care, fill out that form and mail it to the Bureau of State Hearings. You may also fax your hearing request to (614) 728-9574. ODJFS must receive your hearing request within 90 days of the mailing date of the notice of action. If someone else makes a written request for you, it must include a written statement, signed by you, telling us that person is your representative. Only you can make a hearing request by telephone.

How do I request a telephone hearing?

If you cannot attend the hearing at the scheduled location because you do not have transportation or child care or you have medical limitations, etc., you can call 1-866-635-3748 and participate by telephone. If you participate by telephone the hearing officer will call you on the day at the scheduled time for your hearing at the telephone number you provide.

Will my child care benefits continue?

If you receive a notice that your child care will be reduced, stopped or restricted, the action will not be taken until the hearing is decided if we receive your hearing request within the 15 days of the mailing date on the notice. If your child care benefits have been changed without written notice or if the change was made even though you requested a timely hearing, you can call the Bureau of State Hearings to ask if you should receive continuing benefits. Call 1-866-635-3748 and choose option number 1 from the automated voice menu. If your assistance is continuing and you lose the hearing, you may have to pay back any benefits that you were not eligible to receive.

What is a county conference?

An informal meeting with a person from the CDJFS may settle the issue without the need for a state hearing. This is often the quickest way to solve a problem. At this meeting, someone will review your case with you. If a mistake was made, it can be corrected without the need for a state hearing. You can set up a county conference by asking your worker. If you are not satisfied with the results, you can still have a state hearing. You do not have to have a county conference to have a state hearing and asking for a county conference will not delay your state hearing.

When will the hearing be held?

The Bureau of State Hearings will send you a notice giving the date, time and place of the hearing. This notice will be sent to you at least 10 days before the hearing. The notice also will tell you what to do if you cannot come to the hearing as scheduled. Hearings are usually held at the CDJFS. If you are unable to go there, the hearing may be held some other place convenient to you and to the other people involved. If you want the hearing held somewhere other than the CDJFS, be sure to state that on your hearing request.

Can a hearing be postponed?

If you cannot come to the hearing as scheduled or if you need more time to prepare, you can ask for a postponement. You must have a good reason to postpone the hearing.

What happens if I do not attend the hearing?

The Bureau of State Hearings will send you a dismissal notice if you do not come to the hearing. If you want to continue with your hearing request, you must contact State Hearings within 10 days and explain why you did not come to the hearing. The hearing authority will decide whether you had a good reason. If you do not call within 10 days and show good cause, the hearing will be dismissed and you will lose the hearing. The CDJFS can then take the action it was planning to take. If you disagree with the dismissal, the dismissal notice will tell you how to ask for an administrative appeal.

What happens before the hearing?

You may have someone (lawyer, welfare rights person, friend or relative) go to the hearing to present your case for you. If you are not going to be at the hearing, the person attending for you must bring a written statement from you saying he or she is your representative. If you want legal help at the hearing, you must make arrangements before the hearing. Contact your local Legal Aid program to see if you qualify for free help. If you do not know how to reach your Legal Aid, call 1-800-589-5888 (toll-free). If you want notice of the hearing sent to your lawyer, you must give the lawyer's name and address to the hearing authority. You and your representative have the right to look at your case file and the written rules being applied to your case. You can get a free copy of any case record documents that are related to your hearing request. Any person acting for you must provide a signed statement from you before looking at your case record or getting copies of case record documents. The CDJFS does not have to show you confidential records such as names of people who have given information against you, records of criminal proceedings and certain medical records. Confidential records, which you could not look at or question, cannot be presented at the hearing or be used by the hearing officer in reaching a decision.

Can I subpoena information?

You can ask the hearing authority to subpoena documents or witnesses that would not otherwise be available and that are essential to your case. You must request the subpoena at least five calendar days before the date of the hearing and provide the name and the address of the person or document you want subpoenaed.

What happens at the hearing?

You may bring witnesses, friends, relatives or your lawyer to help present your case. The hearing officer may limit the number of witnesses allowed in the hearing at any one time if there is not enough room. You and your representative will have the right to look at the evidence used at the hearing, present your side of the case without undue interference, ask questions and bring papers or other evidence to support your case. The hearing will be recorded by the hearing officer so that the facts are taken down correctly. The hearing officer will listen to both sides but will not make a decision at the hearing. Instead, you will receive a written decision in the mail, issued by the hearing authority. After the hearing decision is issued you can get a free copy of the recording by contacting the Bureau of State Hearings.

What is a group hearing?

The hearings office may combine several individual hearing requests into a single group hearing, but only if there is no disagreement about the facts of each case and all involve related issues of state or federal law or county policy. The notice to schedule your hearing will tell you if you are scheduled for a group hearing. You and your representative will be allowed to present your own case individually and you will have the same rights at a group hearing as you would at an individual hearing.

What happens after the hearing?

You should receive a hearing decision within 90 days of your hearing request. If you disagree with the hearing decision, your written decision will tell you how to ask for an administrative appeal.

When will compliance with the hearing decision happen?

The CDJFS must take the action ordered by the decision within 15 days of the date the decision is issued but always within 90 days of your hearing request. Contact the Bureau of State Hearings if you have not promptly received the benefits awarded by the hearing decision.

Does another action require another hearing?

If you receive another notice that says the CDJFS wants to change your child care benefits while you are waiting for a hearing or decision, you must ask for another hearing if you disagree with the new action. Remember, the fact that you are waiting for a hearing or decision will not stop another action from being taken on your case. You must ask for another hearing on the new action.
